

CONFIDENTIALWorking Paper
8 January 1975

MEMORANDUM FOR: EO/ICS

Objective

SUBJECT : IHC - ICS Weekly Activities Report

II. ON-GOING ACTIVITIES

Staff

A. Computer Technology. IHC/is circulating within IHC members, and to COINS Project Office and within CIA a draft report by RAND for ARPA on a 5 year program for development of intelligent computer terminals. The end result will be community comments to RAND and ARPA on the content of this program and its impact on intelligence.

RMO-4

Action Officer: IHC/[]

B. COINS Development Program. The IHC Staff escorted the new CIA COINS Sub-system Manager and the new CIA member of IHC to NSA on 8 January for a day-long discussion with the COINS Project Manager of his current program and development planning. Action Officer: IHC/[]

RMO-4

C. Imagery. C/IHC discussed with DDS&T front office the handling of the [] proposal from D/NPIC to DCI via DDS&T, and has arranged for this to be forwarded via D/DCI/IC. Action Officer: IHC/[]

RMO-4

D. NOIWON Operation Status. A report prepared by [] and C/IHC is circulating among USIB members for concurrence. This reports on the 1st 6 months of operation of NOIWON and describes net procedures. Action Officers: PRD/[] IHC/[]

E. Use of Grey Phone for Conferencing. A report on how it is possible to use the grey phone for interagency conferences is now circulating in USIB, having been prepared by [] and based on arrangements made by IHC Staff with NSA to provide the engineering for the system. This illustrates what can be done at no cost beyond incidental engineering. Action Officers: PRD/[] IHC/[]

RMO-4

F. Project SAFE. C/IHC discussing SAFE planning with SAFE project staff and with community contact points, looking toward developing a continuing dialog that will help shape the SAFE future development effort while avoiding bureaucratic prejudices. Action Officer: IHC/[]

RMO-4

G. Crisis Operations and Warning Work Program. Following briefings to D/DCI/IC, we are preparing requests to IC Staff front office for support on specific proposals. Action Officers: PRD/[] IHC/[]

RMO-4

H. WWMCCS. On 6-8 January, [] participated in critiques of IBM/WWMCCS planning relative to non-nuclear crises, and C/IHC arranged further schedule of intelligence community contacts for []

RMO-4

[] and its subcontractors [] Action Officers: PRD/[] IHC/[]
